

# PUBLIC SPEAKING

Be a Better Public Speaker

Duration: 5 hours

talksha

## ABOUT THE

# TRAINING

**“Speak on hundred platforms to be an excellent public speaker”**

Speaking to an audience is always exceptional skill that most people wish to acquire and those who already speak on platform always wish to improve the skills more. Public Speaking offered by Talksha will enable participants to acquire and improve the skills with ease.

Presentation Skill produces exceptional communicators. Learning how to act and how to use the instruments to speak with ease, confidence, and integrity. More focused, expressive and audience-centered, using body language, stories, and a more vibrant voice to inspire listeners.

## LEARNING

# OBJECTIVES

Public speaking training will train participants to:
